The Premises:

Very spacious and clean flat in a safe neighbourhood in North London. She has her own security procedure before and after letting you in. Not so much hassle, but she said it's to clear timewasters and offenders out of the way. Basically she has to send a text to her security buddy at the beginning and end of each client meeting. Not that I was bothered though, but the area seemed safe enough already, very near the station.

The Lady:

As in the photos, very pretty, slim, fit, seems to be aged 24, looks very young, gorgeous eyes and lips and very sensual in her manners. Her photos are real and non retouched and she really is a wonderful lady.

The Story:

She is very sensual and puts a lot of passion in what she does. Apart from pretty, she's very smart. She truly enjoys doing this and she gives a personalized experience to each client. Very friendly and genuine and she made a great effort to satisfy my requirements.

I definitely got the experience I was looking for.
