The Story:

Having seen Anna last week she suggested a two girl appointment and I couldn't help but agree. I originally booked Anna and Izabel but unfortunately the latter wasn't in that day after all and I wanted to book Tina in her place so I could have one blonde and a brunette. Tina was booked so I was offered a pick of Angelica or Carlee who I booked.

They both walked in, Anna looking fantastic as always, Carlee was older than I expected and I'm not entirely convinced she was the same girl in the pictures on her profile. She reminded me of DJ Zoe Ball.

The next thirty minutes were a mixture of kissing, oral from both, sex with both, sex with Carlee whilst Anna kissed me like a long lost lover, a hand job from them both. They also French kissed each other numerous times and finished me off with a three way snog.

So I got to live my fantasy of having two bisexual women at once so something off the bucket list and something I will revisit again.

Anna is the most perfect girl in the world, so anyone would pale next to her and I can't wait to see her again, likely one on one. Perfect face, body and the best kisser. Last time I gave her eleven out of ten, this time it is fifteen out of ten. The best GFE.

Carlee was attentive and up for anything, the only downside being she's a smoker so the DFK was not as good as it could have been. I wouldn't book a smoker if I could avoid it. But if that doesn't bother you and you want a good time then book Carlee. Leave Anna for me!
