The Premises:

A ground floor flat in a block of flats in the Barking area. Plenty of parking but didnt see the bathroom but clearly there is one. The flat itself is a bit messy but suffices for what you are there for.

The Lady:

Cleo is a 55 year old black lady with a large pair of boobs, bit of a belly but a very nice tight arse with a trimmed pussy. Not the best of lookers but not ugly either.

The Story:

Went in got the ££ outta the way, lay down and she gave a decent back rub paying attention to between my legs. Got me to turn around and slid the condom on for the oral. As she was about to start she says "dont cum as I'm very good at blow jobs". This was pretty kinky for me to hear and she wasnt lying. What head she gave...I nearly blue my load. Stopped in time, then got behind her to fuck her doggy style. Her pussy looked great wrapped around my cock...i pumped her for about 5 minutes and then just had to blow. Which I did over her arse and back.

For £60 and for those who like black ladies, then Cleo is worth a visit. Do note, she doesnt work daily so you may have to plan a few days in advance.
