The Premises:

Lucy works out of a nice suburban semi in High Wycombe minutes off the M40. Her place is very well equipped and really quite pleasant.

The Lady:

Lucy is very pretty, thin and elf-like of build with a lovely cheeky smile, a great sense of humour and a bouncy personality. Her attitude throughout was upbeat and focussed on providing a great service.

The Story:

I asked for a GFE which turned into a tie and tease. The GFE was amazing she was all over me, great oral great RO and then we went at it cowgirl, doggy, spoons and then missionary, boy was I having fun. Then she put me on my front, tied me firmly to the bed and proceeded to massage my arse, cock and balls first with her nails and then with a powerful vibrator wow, all with a sexy, girly commentary. Then she turned me over and finished with her hand after some clever, subtle edging. We cleaned up had a good chat, what a great girl. She was brilliant, I look forward to planning my next visit.
