The Lady:

For a woman in her 50s, not only does the desirable Jan have all the experience but also the looks of a much younger woman. Lovely figure, smooth skin and small but firm tits with erect nipples.

Her profile pictures on her website are a good indication of the pleasures that await.

Jan is friendly and welcoming - in fact it's like fucking the proverbial 'woman next door'.

The Story:

I have been seeing Jan several times a year for six years now - so that must say something in itself. In fact I have fucked her more than any other escort - and I am fairly active in that respect. Unfortunately, It had been almost a year since I had last been able to see Jan and I was anxious to get back to her.

Although Jan has the usual selection of sexy lingerie etc. because of her good figure, she knows that I like the pleasure of her waiting for me stark naked - always a lovely sight. This time our preliminary fondlings and kissing at the foot of the stairs were briefer than usual and eager Jan swiftly led the way upstairs - so swiftly that I had to hold her back so that I could slip my hand between her legs and feel the wet haven that awaited me.

I always like to stand Jan in front of me before the wall mirror so that I can fondle her tits and watch her rub her clit. Her clit once aroused (and that does not take long with the right 'treatment') It was not long before we were on the bed and I was able to continue pleasuring it with my lips and tongue. She was also eager to suck me - that is something Jan can be recommended - I always

look forward to it It's always a great sight to have a woman kneel before you and take you in her mouth and Jan is an expert.

Jan is not a clock watcher with me but my hour seemed to fly by. One thing that we both like is CIM and I was pleased to wank myself to produce a good quantity for her to swallow.

So, guys, Jan is, as they say, worth a detour for an excellent GFE. She only sees one or two men a day so there is no feeling of being on some sort of 'conveyor belt'. And for the would-be newcomers to the escort scene who is nervous about starting, I can assure them they will have a good time with this sexy woman. Treat her well.

And thanks, Jan. You're special!
