### The Premises:

Old Arabian Nights building. Very nice. Very warm.

### The Lady:

Mid twenties, local, blonde, curvy, pretty. Not on website.

### The Story:

My second visit, and not the best. I opted for GFE, was told she didn't do oral without, I have no issue, personal choice.

She gave me quite a good massage, very chatty, very funny.

When it come time for the action, she kisses very well, sucks like a pro, but didn't remove her bra (shame really as I am a boob man. She didn't even let a strap fall.

Two positions, but I didn't climax.

I won't be returning.
