The Premises:

quiet road in chigwell with grange hill station 5mins away. Plenty of parking on her road and a safe area. Two floor flat with a clean but simple environment. Bathroom and shower available if need be.

The Lady:

Julie is a tall (5.8 ish) blonde lady..around 50ish with small ish boobs but a toned body. Pretty with blue eyes and a lovely bum.

The Story:

Not my first visit to Julie but every time is excellent as she is not one to rush you and gives an excellent service. Her blow job is just perfect and now after my many visits she knows exactly how I like it. Tongue around the cockhead, wanking the cock and massaging my balls..I always shoot in her mouth and she swallows with ease each time. The sex with her is great too as she has a dildo at her bedside which we use each time while I fuck her..doggy, me on top, her on top etc...she is very good and always greets you in lingerie.

Was £65 till this year but even at £70 she is well worth it.
