### The Premises:

Small apartment in a busy area. Easy to find. Could be cleaner. She shares with a couple of other escorts.

### The Lady:

It's the girl in the pictures. More glam in the pictures. She is more "girl next door" look. Nice body.

### The Story:

Erika is a bit quiet and reserved. She does most services for GFE. Kissing started off without passion but did get better.

OWO and sex in couple of positions. No A level.

I don't think I clicked with her really. I have to say the whole experience was a bit mechanical.
