The Premises:

Decent sized flat in council block just off Edgware Road. Estrella's room is also the living room with kitchenette area. Nice shower.

The Lady:

Gorgeous. Tall, model like figure, perfect breasts, shapely arse on a tiny waist. Took me about 20 minutes to realise who she reminded me of: Penelope Cruz.

The Story:

An interesting one. I've given Estrella a YES recommendation because of her DFK, energetic blow-jobs with lots of tongue and eye contact and how great she looked as we did doggy, and how good it was thrusting into her nice pussy or tonguing it in 69.

But, this was the first time I have seen an escort and we didn't click. I'm not sure if Estrella was not in the mood or just didn't take a fancy to me, but there was a mechanical, distanced feel to her performance, with her repeated "yes, baby" playing on a loop which became slightly distracting. She also didn't like any kissing other than on the mouth, which was a little odd.

Probably wouldn't return. But, I do have the memory of a Penelope Cruz lookalike hungrily sucking my cock and Estrella did work hard to get two pops out of me. Recommended with reservations then.
