The Premises:

The Lady:

Arina has long blonde hair that ends just past her shoulders, she is quite tall, probably around 5'5 or 5'6 and has got massive tits. She has an eastern European accent, probably Russian or somewhere close to there, but speaks great english, and I would say she is mid twenties, perhaps 24 or 25. Overall a very good looking young lady.

The Story:

Arina arrived at my place spot on the time we had arranged, 8:00. I opened the door and she stood there with a sexy smile on her face and introduced herself, as did I. She was wearing a red dress with plenty of cleavage on show, which I was pleased about. After inviting her in, I asked if she wanted anything to drink, she just asked for water, at the same time I got her money off the side and gave to her, she was very kind and thanked me before putting in her bag.

We then talked for a while, she is quite an interesting girl who has done a lot of travelling which I found interesting to listen to. After talking for maybe 45 minute I asked her if she wanted to come up to my room, so we did. After having a quick shower we then started to make out on the bed. I shagged her in several positions on the bed before finishing. She also gave great oral, which was nice.

I believe this is a new agency, but would recommend if you don't mind paying the high prices.
