#### The Premises:

#### The Lady:

White english female, tall, slim in her early 30's, very dominant personality.

#### The Story:

Arrived early wearing a long coat, underneath she had a black leather dress and boots. This was my first time with a domme female, booked after recommendations from a friend. As soon as Lois arrived she was very strict and told me exactly what she wanted me to do. It was a little nerving at first but soon got in to the swing of it. The meeting turned out extremely satisfying and opened my eyes to a whole new sexual experience. Overall I would recommend Lois to others as she is very good at what she does, however not sure if I would book again personally.
