The Premises:

A flat in a private block about a 10 minute walk from Deptford Bridge DLR station.

The Lady:

A very slim size 6 East European girl with dyed blonde hair and 32AA breasts which she says are 32D hence the neutral recommendation.

The Story:

An okayish punt despite the disappointment with her breast size. She was friendly enough, but her English wasn't too good. She gave me covered oral, then sex in the missionary position followed by doggy. She finished me off with a slow hand job.
