The Premises:

It's quiet and has a discreet entrance down a side alley. Parking is unobtrusive to local residents. Room was nice, warm, pleasant, clean. Lady on reception was very friendly. The whole thing felt like a bit of fun. Like being naughty.

The Lady:

Seemed tall, but I was lying down. Slim, very pretty, lovely smile, wonderful wonderful sparkly pale blue/grey eyes.

The Story:

Previous reviews suggested I could get a porn star experience. They were right. I've never known oral like it for depth and stamina Chantelle is the best. And the most impressive thing is she'll suggest it. She'll ask what you want, and like Pizza Hut, she'll deliver. Everyone should have a half hour like this once in a while. It was breathtaking. She's gorgeous. She's enthusiastic. And she makes you feel like you're the porn star. She was also delightful, and great company so be respectful and treat her well because she's precious.

Shelly was also there tonight and she's far prettier than her pictures. Who knows, if I win the lottery, maybe I'll finally do a 'two-girl' because I've ticked off everything else on my list this evening.
