The Premises:

Perfectly pleasant apartment near centre of town, a stroll from train and coach station and parking available.

The Lady:

As always, Kimberly looks gorgeous in a foxy way with those lovely eyes and a ready smile. She is petite but shapely with a gorgeous bum.

The Story:

I hadn't seen Kimberly for quite a while and as soon as she smiled at the door I regretted that (caused by me taking a break from punting).

She is one of those wonderful girls who can just surprise you every time even as soon as you set eyes on her, whether with a snog, a stray hand on your crotch or famously dipping down to get your cock into her mouth before you have yanked off your scarf.

Kissing, oral without, sex in different positions and lots and lots of chat but the opposite of her trying to use up time - I was just so pleased to hear any news she might have.

Kimberly is a real individual, a very sexy lady and just a dream to be on a bed with.

I certainly won't leave it so long again until I sweep her into my arms.
