The Premises:

Apparently well know establishment in a block of flats hidden in a large mixed business and apartmental living area.

The Lady:

Curvy, long black hair. Website says she is 20. I would add around 4-5 years to that. Although I quite fancied her she is more of a girl next door type than a middle class escort. Pictures on the website are clearly older and very embellished.

The Story:

I live in Derby. Here and Nottingham is a terrible area for punting so on recommendation decided to take a trip to Milton Keynes.

Called the agency and asked what time they close. I was told no more customers after 8PM and the maximum booking at that time would be 45 minutes or I would need to get there earlier. Fair enough, so having to travel some 90 miles I booked in Dawn for 45 minutes at 8PM. I was asked if I could possibly get there earlier at 19:30. I said I would do my best but it would depend on traffic seeing as I was setting out during rush hour so did not promise. I said it I was too late for Dawn I would go for another girl.

I actually arrived at 19:25 but having problems finding the flat, as it is by no means easy to spot, it took me another 15 minutes to find the flat.

I met Dawn in the room and the punt started at 07:45 and I paid for 45 minutes.

Dawn asked me what I like, I told her I wanted a slow GFE with lots of foreplay. We set about kissing and fumbling. I tried to give her some oral but she seemed very nervous about it and tried to keep her legs as closed as possible. She then started to perform OWO on me which was ok but noting special. 10 mins in and she asks if I wanted the condom yet. I asked to wait a few minutes. I had told her I wanted lots of foreplay. Sensing she was not really into it I decided to get on with it. Dawn only wanted missionary with me on top so i just got on with it. I finished off and we had barely been half an hour and I heard the buzzer at the main door at least 3 times after 8PM. A rush of last

minute punters it seems.

All of a sudden the maid was constantly knocking at the door trying to get dawn or the room free. It was barely 08:15 and they trying to rush me out already before my time was even up to get more punters in. (Last booking at 8PM eh?) TBF to dawn she was not in a rush herself and wanted to talk to me a little bit.

Dawn is actually a really nice girl to talk to. Sadly I just don't think escorting is for her. She doesn't give that professional full on experience that you expect when you pay for a GFE or punt of your choice. I appreciate a lot of WG are in the game for the money but most of them love sex and love their jobs too. Dawn despite a really lovely girl just doesn't seem to be into it and seems sexually very shy which is real shame because she could be so much better.

Anyway this one gets a no from me. For both Dawn being too shy for the game but also for being rushed out of the apartment after 30 minutes when I paid for 45. I am sure the agency will argue that my punt started at 07:30 but I requested a 20:00 booking, actually started at 19:45 and did not promise i would be there at 19:30.

Appalling customer service to be rush out 15 minutes early when you have traveled 90 miles through rush hour traffic to give them business. I shall not be going back and recommend others proceed with caution with this agency.
