### The Premises:

New parlour in Aston...

### The Lady:

Busty friendly MILF

### The Story:

I had a slight issue with my first visit to the place, but following dialogue with Linzi she promised to put it right....

And boy did she deliver...!!!

Had a massage to start with followed by some expert covered oral.... She is not called the Blowjob queen for nothing... Expert technique which felt like owo....

Followed this by Linzi riding me, missionary And doggy to completion ...

And did I tell you she squirts...?? Jesus it was like niagra falls..!!

A really good value punt with a true expert.... She really did look after me and more than made up for the overcharging issue by one of the other girls. She really is trying to build something good here.... And with the positive emphasis on the punter / customer she'll not go far wrong.
