### The Premises:

Discreet flat in a block above a central London underground station; friendly welcome from the maid. Clean apartment and spacious room.

### The Lady:

A mature, French lady who has been in London for about a year. Speaks perfect English with a delightfully sexy French accent. Very good conversation - most intelligent and able to engage in an interesting conversation. Loves England and men and sex. Tall (about 5'6") and in stilettos almost eye to eye! Sammie gave a warm and friendly welcome. Previous reviews accurate. Only works one day a week (Saturdays). A lovely, mature companion able to engage, converse and entertain.

### The Story:

She put one at ease with a friendly welcome, much good french kissing and cuddling. Disrobed, her skin is soft and she enjoys giving and receiving sensual touching. Excellent owo (she offered with or without) and she enjoyed reverse oral and 69. Then on with the 'prophylactic' and we proceeded to sex, which was great. Adopted doggie position and this afforded a view of an excellent, soft, shapely derriere. Attentive throughout and then a relaxing cuddle and conversation after the main event. Definitely a delight for those who enjoy a mature, French lady. Will be repeated!
