### The Premises:

Been here a few times before, nice place, fairly discrete entrance. I had a booking for 1pm but unfortunately didn't see Asia until 13:40, but this was due to the previous client overrunning, it couldn't be helped.

### The Lady:

Quite short and very petit, her behind was an incredible sight, as were her nice firm perky boobs.

### The Story:

What can I say! Asia is absolutely stunning, her features are very sharp and her eyes are very piercing and her hair is so nice.

Asia was very apologetic for the lateness, but that was due to the previous client overrunning and could not be helped. I proceeded to follow her upstairs and had a nice shower. She came back in and offered me either a massage before or after, I went for one before. I let Asia know that usually whenever I visit this kinda place that I tended to finish fairly quickly and never really utilised the full half an hour, I guess this was more my problem than any of the girls though - but she was happy to fill up the whole time. I also asked to take it a little slowly as I didn't want to finish too quickly, which she did a great job at. She said that she wouldn't do owo as she'd had some teeth out, whether or not that was true, who knows, but I didn't really mind - especially as she only charged me £55.

We did a bit of kissing, and on with the condom, as Asia started to go down on my cock - although I don't get much from a BJ with a condom on she had a great technique. She started into my eyes as she did it. I asked her to sit on my face and she did - and it was great, she has a really nice pussy. She then put her boobs in my mouth and I sucked on them for a while. She sucked my balls a fair bit, and we then started fucking in reverse cowgirl - what a sight that was, what made it even better is that Asia was looking into the mirror above the bed to watch herself being fucked by me. We then switched into doggy which again was amazing. Last but not least, I fucked her in missionary for a good 5 minutes. I asked if I could finish on her tits and she let me do so for no extra charge (sorry for jizzing in your hair Asia!).

All in all, probably one of the best experiences in these sort of places that I've had - I usually have a sense of regret after doing this kinda thing and I'm not a regular, but this time it felt totally worth it. I'm not one to review either, but I felt that Asia needed more reviews and that my time with her definitely deserved one. I would say that me and Asia also clicked pretty well, with some similar interests, and this definitely helped with the experience. She also asked me about my fantasies and what I like, I don't really have many but I'm sure she would've carried them out had I said a bit more. This didn't feel rushed and I think we even went over the time a little. 10/10, I could fuck her all day.
