The Lady:

Extremely hot, like extremely hot! Long blonde hair, big lips, looks exactly like she doesw in her photos. The only thing I wasn't sure about was her long finger nails but overall a very fit girl.

The Story:

Honestly the best sex I've ever had, it was like fucking a pornstar. She is very dirty and you can tell she is very experienced and likes to take control in the bedroom which I have absolutely no problem with. After sucking me dry she rode me for a good 20 minutes without stopping. It might be a bit to much to become a regular thing, but wow was it a truly incredible experience
