The Lady:

as per web site. English rose. Lovely figure. All natural which is very good. Shaved.

The Story:

I was tired and jet lagged, she was very gentle and slowly kissed and touched me, great hands by the way, oral is good but not as good as great hands. Her pussy is the sweetest thing, in looks and taste, but she didn't come and thank goodness didn't pretend. Sex three ways - I was so greedy I would have gone for 300 and climax in doggy, admiring her butt (and the one on the wall)

Thank you Penny, I will deffo see you again - and soon

PS to those who read my earlier post signing off from this game - I couldn't stay away, rang out of Bromide.... It's girls like Penny who make it so worthwhile.
