### The Premises:

Emily has a very nice modern flat in a really quiet side street just a couple of minutes from the tube. The flat was clean, well cared for. Good bathroom with a decent shower (you've no idea how rare that is!) and proper towels, thanks!!!! Safe, no prying eyes, easy to find. No problems here.

### The Lady:

Emily is quite tall and exactly as per the photos on the profile. Her face on the pics is obscured but have no worries, she's very pretty. This is a shapely young woman with generous natural boobs and curves in all the right places. I'd requested stockings and was greeted with these and some very nice lingerie. Obviously she takes her work seriously, responding to clients' requests. She's a really nice young lady. She's lived here for a while now and will be staying for at least another year or so, I gather. Conversation was easy and flowed well. She's university educated and clearly very bright. I felt comfortable and at ease in her company, which always helps. Friendly, outgoing and yes, the proper GFE.

You won't be disappointed.

### The Story:

I'd been very clear in our communication what I was looking for. Everything I'd wanted was listed on her profile, so as far as I can see, it's completely accurate. She provided lots of kissing, a very tactile experience, OWO and sex in lots of positions. Nothing was too much trouble.

Arriving at the flat in a quiet side street was no problem. Greeted at the door by a delightful young woman in stockings and lingerie. I asked to use the bathroom, showered and cleaned up. Then, paperwork over down to business. Emily was quick to initiate some very nice kissing before we retired to the bed. Without having to ask OWO was provided expertly. She enjoyed receiving oral as well, then on with the condom, some mish and finish with a lovely cowgirl, with those breasts in easy reach. We chatted for a while, very enjoyable, then round two, more OWO, then some doggie, more mish and finish again with cowgirl. Loved it. Was pretty exhausted by the end. Frankly, there are lots of escorts in London who ask far more than Emily and don't provide nearly as much in return. I doubt anyone would be disappointed. Catch her while she's still in London.
