The Premises:

An apartment in the College Green area of Bristol: very safe, easy to find, conveneient parking. The apartment itself is clean, comfortable and very welcoming

The Lady:

Rebecca's photographs are accurate: if anything, she is more attractive than some of the studio shots in her profile. She has natural, 'English rose' looks, smooth skin, lovely blonde hair and a fabulous, welcoming manner. She takes great care over her appearance but her make-up is subtle and under-stated.

The Story:

Rebecca is currently offering dinner dates at a very reasonable rate, so this was a great opportunity to get to know her first over a good meal. She is an easy conversationalist so there were no awkward moments.

Back in her apartment the time just flew past. Rebecca is absolutely not a clock-watcher and our conversation continued but was increasingly punctuated and interrupted by kissing, stroking and the removal of clothes. Her oral skills are brilliant and she is very responsive (when it comes to her turn!!) although there was nothing mechanical and routine about this meeting as one thing naturally led to another. Although she is still recovering from a back operation and some positions are difficult for her at the moment, the move to full sex was natural, fulfilling and utterly satisfying.

This was a totally un-hurried, relaxed evening: a repeat visit is most definitely on the cards.
