The Premises:

Discreet basement flat on the main street, nice big room. Interesting selection of uniforms and toys hanging about. Nice maid too, very friendly and welcoming.

The Lady:

"Cuddly" is the best way I can think of to describe Debbie.

The Story:

Had an excellent time. Debbie knows what she is doing, and makes a genuine effort to provide a memorable service. Definitely not a clock-watcher, it's all relaxed and unhurried. Other FRs detail what you get for your money, so I won't bore you with repeating it all again.

This establishment is certainly the best value for money around here, both in terms of pricing and service level. It's refreshing to finally find a place that doesn't treat punters just as walking wallets, there to be emptied as quickly as possible and sent on their way.
