The Story:

£35 plus £10 OWO.

Small Brazillian girl. 29 years old. Curvy, slim waist, enhanced D cups, beautiful smile and chatty.

She is really good in the room. Takes her time and puts some effort into into. You get the feeling the transaction is secondary to her. She adds a romantic touch to the punt. Where other girls will walk in abruptly take whip off their bra, get stark naked and ask if you are ready, she turns around teasingly and let's you take it off yourself, slowly and seductively like she is your wife. I liked that.

There was lots of kissing at no extra charge. OWO was good and enthusiastic but a bit toothy at times. She went on and on until I told her I was ready. I was well worked up by this time and I wasn't going to last long. She rode me cowgirl, then we changed to doggy. She has such a nice tight arse. I blew my load after a few strokes.

Will be back for more and for longer next time.
