The Premises:

Basement flat in Earls Court terrace a few minutes walk from the tube station. There are two rooms available, I opted for the smaller one. Both are amply equipped. Bathroom also available. Was given a glass of red wine on arrival.

The flat as a whole is immaculate. Well looked after by the efficient receptionist.

The Lady:

Rebecca is tall with long red hair. She has a perfect hourglass figure with an ample bosom and peachy bottom. The photos on the website are accurate. Rebecca has a pretty face with sumptuous lips.

Today she was dressed head to toe in latex and was simply stunning.

The Story:

I've been visiting the retreat for over ten years and have never left disappointed. However today's visit was the first to move me to write a report for the simple reason that Rebecca intuitively knew what I wanted and delivered it to perfection.

I visited her to be spanked. Firstly over the knee with her hand, then with a leather paddle in various positions around the room. Finally she introduced me to Cordelia her favourite cane.

I was then told to peel off her outfit and worship her behind whilst she knelt on all fours. She went onto sit on my face and my cock before inviting me to fuck her doggy style.

Absolutely mind blowing experience. Rebecca is in turn stern, severe, sensual and above all sexual.
