### The Premises:

Familiar spacious Paddington basement flat shared with two other girls. Julia's room has a sofa as well as a bed and use of an adjacent large shower room, but no bath.

### The Lady:

Greeted at the door by a vision of loveliness wearing a very skimpy and sexy lingerie outfit and high heels. Agree with much of what is written on the website. She is very attractive and has a great figure, close to her photos, but no way are those breasts for real. I know there are some silicone haters out there but not a problem for me and I quite like them, but why try to make out they are for real when they are not ? You can always tell and she didn't deny they were implants. Website description might change I am told. Will see.

### The Story:

Very eager to please me and make my visit as enjoyable as possible. Much of the action took place on the sofa. Not sure if she is a "wham bam thank you ma'am" type of girl. At my age I like to take things slower and I enjoyed the slow relaxing build up, mutual caressing and kissing before she went down on me and demonstrated her excellent oral skills. I then went down on her which she seemed to appreciate before proceeding to the bed for more action and I eventually finished over her face and breasts. I am fairly sure she would offer a lot more in the way of services that I desired on this occasion as she is so focussed on your enjoyment.

She has a lovely personality, very good English, interesting to talk too as well as being super sexy so would probably make a perfect choice for a dinner date or overnight. Unfortunately personal circumstances do not allow me to do this. Thoroughly recommended.
