Apartment very close to the Galleria in Hatfield. Parking is free for 1st hour but £2.50 for the 2nd hour. Her room is nice and has an en-suite shower room.

The Lady:

Tall EE lady in her 30's with enhanced small breast, about size 10 with blonde hair. She does resemble her pictures on Adultwork

The Story:

Having read a couple reviews on Annie and all being positive. The initial greeting was good but as we got down to business with my cock almost in her mouth, she said OWO is extra £20 but I said it's not an extra on your web page but I agreed to pay her the money in the hope of better things to come . The service is OK but felt being hurried , Her OWO was shallow with way too much hand action in it. I don't think she was in the mood for it, just wanted the money and we finished early with about 20 minutes to spare and I asked for a massage, which was very good and was out of the door with still 10 minutes left. I noticed the scar on her breast whilst giving her oral. She must have been totally flat chested without the enhancement. She has the potential to provide a good service but needs to be honest about hidden extras. I will not return.
