The Premises:

Nice clean premises, good parking in evening.
Very good neighbourhood and shower facilities were ok.

The Lady:

Quite tall, mousey blonde from Northern England. Very ample breasts 34-36D or DD.
The photos were accurate, in fact she looked a little younger and well tanned.

The Story:

Met her after previous runaround, so Sascha said she'll make it up to me. She did indeed.
She performed OWO, plenty of DFK but no rimming and no Anal.
We did a very good doggy and normal positions, this was only half an hour so after managing to finish all over her
whilst she was bending over the chair, her lovely behind.
Short session but good. Possibly see in the future.
