The Premises:

Mansion block converted into flats. Decent enough area of London but issue with arrival as building has no entry system, unusual way of letting you in.
Small flat with decent enough shower.

The Lady:

Tall, blonde, blue eyed Hungarian girl with a few tattoos and piercings. Maybe 5'11" or even 6ft
Mid twenties and maybe 34D breasts.

The Story:

Met Mia for the second time in a few years, came back with her just as lovely friend.
Plenty of deep rimming on me and prostate massage, with OWO and lots of DFK.
Tried to take Mia in doggy but probably due to days exertions couldn't manage it.
Finished on Mia whilst she was in doggy, but couldn't manage a second time.
Will try to see her and her friend in the future.
