### The Premises:

Unit on industrial estate, so plenty of parking. Clean, tidy and very quiet

### The Lady:

Stunning! Busty, bubbly and willing to please.

### The Story:

Not been here for a while but working locally so thought I would pop in on the way by. Chantelle was free, so straight through to the room paid and got ready for the massage which was delivered firmly but sensually. OWO, then attempt at a condom, no luck as too small.... Not something that happens every day! Chantelle left yo find something bigger, but returned without success. Little uncomfortable for a few moments but then a knock on the door and something was handed over to do the job. Needed a little encouragement to get going again but got into the rhythm again with plenty of vocals from Chantelle.

Overall a good time was had, Chantelle could not apologise enough, but not a problem as she was a great girl that would be worth seeing again.
