The Premises:

The builders on the first floor have gone. They knew what was going on upstairs. They knew.

The Lady:

On Jai's profile it says that humiliation and domination are on offer. I was expecting a maneater like ex-HOD hall of famer Pixie. Therefore, it came as a massive surprise that she was so placid. Jai is softly spoken and does things in her own time. Jai arrived late to the room, during which time I had undressed. Nor was she in a rush when there was a knock at the door some thirty minutes later

The Story:

I arrived with a game plan but had to amend it due to Jai's submissive nature. I asked her to remove her panties but keep her stayups on. She spent about five minutes fiddling about with these while I worshipped the glorious bum that had ensnared me in the first place. I pressed my cock against her bum crack and played with her breasts, and her nipples were instantly aroused. Then I took a step back and she did likewise and continued to rub her arse against my cock. I took another step back and Jai did the same. I said I was trying to get away from her bum to which she replied "you're not doing a very good job". I backpedalled around the room and Jai followed me, smiling. I pulled her on to the bed and informed her I was going to lick her pussy, which she happily consented to. We enjoyed foreplay in several positions and Jai was intuitive enough to move around to ensure I was well positioned to fondle her bum at all times.

We spent so much time kissing and touching and licking and, in her case, sucking that I didn't have enough time to fuck her properly. When I did, I discovered that Jai has a tight pussy and seemed to enjoy getting pumped in mish. However, in order to pay homage to her bum, which btw is truly remarkable, I asked her to switch to doggy. As I took her from behind, I swear she emitted a tiny fanny fart. I managed a couple of strokes before the knock on the door. Jai allowed me to continue so I quickened up the pace. When I was coming I gripped her legs towards me so I could get deeper inside her.
