The Premises:

Annabella's - the usual town house location in central MK. No en-suite showers or mirrored rooms.

The Lady:

As per her photos - buxom, shapely, sexy lady.

The Story:

My experience of Karolina was very good - she gives a very energetic service and has a great body and I don't think any punter would be disappointed with her. And her new picture look great. So I am giving the positive recommendation for her, not the parlour.

As for Annabella's I think they've had it too good for too long. I was given a hard time by the maid for turning up early (I wanted a shower), and occupying the shower after the punt when another bloke wanted it. Now it's not my fault that the ratio of showers to girls / punter at Annabella's town houses is inadequate. Also although I got there early Karolina came in 10 mins late and had not showered. I know from her other reports that she is normally clean so I'm sure it's the parlour not providing adequate shower facilities that's the problem - and if she hadn't showered why was she late anyway?

After other similar experiences (see my earlier reports if you can be bothered) I've not been back to Annabella's since.
