### The Premises:

Having been to many London parlours I decided to go feral and travel 'up north'. I have been to Sheffield many years ago and had a fabulous time so thought I'd go again. I used Punternet to suss out the local talent and decided on GFE. Well what can I say. The parlour is just off Attercliffe Road, which has a number of venues. It's been a while since I was there and the area is a bit run down now. Do not let that put you off. GFE has a good parking area and a desecrate back door entrance. I like a back door entrance for many reasons....The venue has a buzzer entrance and a loo next to the main door. Handy if you need to go. The lounge has several leather settees, a reception desk, large TV and a drinks fridge. Spotless throughout. I would like the girls to come out and spend time getting to know you before you chose, but they just introduced themselves from a far. I chose the best looking of them and I made the best choice. She was FANTASTIC.

### The Lady:

Sammy is perfect. Sorry this review is late Sammy but the wife has just gone to bed and this is the first chance I have had to review you . Sammy is mid 20's 5'5" or so, curvy without being fat with, surgically enhanced boobs with responsive nipples. They are flexible but firm. She is totally shaved with porn star labia. I AM IN LOVE! I asked her to marry me but she said my wife might object. I wasn't going to tell her for Christ sakes.

### The Story:

Sammy seemed a bit off to start with. Sammy took me up to a room, set the shower going and left, saying she'd be back when I was finished. She came back when I'd cleansed myself and took off her clothes. I told her I was a Punternet reviewer and everything changed. She was interested in what I do, how I do it etc. I won't go in to the nitty gritty as that's between Sammy and me. But she was fantastic. I will defiantly see her again. We went back to the lounge and I was made a cup of coffee. I did not see her again. I read her reviews and found she does the CIM. I wished she'd told me. Still! It would have been nice to sit with the girls and chat for a while, like other parlours do. I may have stayed for another session but was not made to feel welcome. Viagra and all that, you understand. Shame. All the girls were beautiful and it's the best parlour I've been to in Sheffield. Next day off, I'll see if Sammy is on and visit again. Thanks Sammy, see you soon and you're getting a gob full next time, oh and another proposal. Love you. Taff boy. remember, there's two F's
