The Story:

Alana is a fun and down-to-earth young lady who is funny, foxy and flirty. We talked and laughed for the first half an hour where I tried to convince her that I was English! She is very relaxing company and someone who could keep you entertained all afternoon. She has a beautiful smile and soft, red lips and also long, beautiful dark hair. She is a genuine size 6/8 with a tiny waist and a peachy little bottom. She is a little minx too who likes sex to be fun and it was easy to come to a climax with her at the end. She is what I would call GF material, as she has a multi-faceted personality. I highly recommend Alana and I was not surprised to hear that she is a busy girl. I can imagine a lot of repeat business coming her way in the future x
