The Story:

Have punted for ten years and have never felt the need to do a report on any until now. Easily the best sexual hour of my life. truly remarkable! Had originally booked Jai for 45 mins. But as I walked in and saw Jai and Chole casually chatting together on the couch in their lingerie, I couldn't help but notice how sexy they both looked together. I asked the maid if Chloe was also free, lucky for me she was. Parted with another £100 for Chloe than the fun began. Chloe and Jai begun with a little lesbian show, which I can't help but keep replay in my mind. Chloe using a vibrator on Jais pussy, Jai licking Chloe's pussy. Chloe sucking Jais tits. Both girls truly take care of themselves and look remarkable, I felt like I was in the middle of a top class porno. Time for me to get involved.. Jai started sucking my cock whilst Chloe licked my balls, than they swapped. Good girls. Still felt both needed a spanking. Told them both to get ass up and face down, whilst kissing each other. Very hot. Had a good view of both their pussys whilst giving them a light spanking. Than put a condom on and gave Jai a good pounding, whilst Chloe watched. Missionary than doggie. Jai can take a good pounding. Unlike other WG who complains after two moments. Finally took the condom of and cummed on Jais bum. Excellent punt! From the way they was chatting before the punt, I assume the girls are friendly with each other. Which showed in the pun! They was both interactive with each other and seemed to enjoy it. Not awkward at all. Would defiantly be a great duo partnership, if they would officly team up.. Fnally I want to add that Jai has by far the best body I've seen in the flesh at HOD. I've read punters discussion asking about how she looks in the flesh, and the answer is remarkable. Thanks Jai and Chloe. And thanks HOD for hiring the best of the best.
