The Premises:

Parking is easy is nearby street. Area seems safe and access is discrete. Demi's apartment is clean, nice shower and plenty of shower gel and towels.

The Lady:

Petite, long dark hair, great body. Matches her AW profile. Very chatty and easy to get on with. Offered a drink.

The Story:

I booked 2 hours for a Nuru Massage. I've never had this before but really enjoyed it. Demi prepared the gel carefully and we had a shower together to get our bodies wet. She then applied the gel to herself and then massed her body against mine. Not only a very erotic experience but a really different and great massage.

Following the massage I explored her body and we moved to 69. She seemed to really enjoy oral on her and her oral skills are exceptional. The combination of the massage and her oral skills brought me to a climax very quickly.

Highly recommended. The Nuru Massage has to be experienced.

Thanks Demi for a very memorable 2 hours.
