The Premises:

The upstairs flat is located in an upstairs flat next to the road with the Nags Head pub. Although it has a discreet entrance it is a busy flat.

Once in the flat I was introduced to 3 different girls. The maid who let me in unfortunately doesn't work.

The Lady:

A size 6, attractive Romanian girl with B cup breasts and a peachy bum. She is very friendly and her English is not too bad.

The Story:

I enjoyed the session mostly because Karina was very friendly and patient. The session commenced with uncovered oral and lots of ball licking. We then moved on to sex in the doggy position with me standing by the side of the bed. I was now very relaxed and enjoying squeezing her peachy bum. I decided to complete the session with a slow handjob and that was delivered superbly.
