The Premises:

Nice flat. Clean. No safety concerns. I used public transport, but Rebecca had mentioned there were parking facilities if I should need them.

The Lady:

Pretty, girl-next-door type. Takes good care of herself. The pictures are accurate on her website. Without being too cliched she probably looks better in person. Very friendly and chatty, immediately puts you to ease.

The Story:

Rebecca provides a quality service. She is willing and enthusiastic. Very chatty, perhaps too much for some, but doesn't shirk on the physical stuff. Absolutely not a clock watcher.

Great kisser, very passionate. Girlfriend like. Oral was without. She gives an amazing blowjob, including deepthroat. Covered sex in a number of positions and then she took my "donation" in her mouth and swallowed the lot.

We lay and cuddled for a little while awaiting round two. She's very pleasant company.

Before long I was hard again, but decided to just engage in mutual oral sex. 69 was fantastic. She seemed to get off on my technique and I was soon cumming again. She swallowed that load too. What a girl!

More chat, a drink, a shower and I left. Very pleased with this punt.
