The Story:

Selina was very warm and friendly straight away. She was very happy to explain the services and what they all cost. I opted for a handjob only as I am a little skint at present. She seemed very happy to oblige. She took off her skimpy lingerie and was only too happy to show me her gorgeous figure. She gave me a very sexy handjob on the bed, making sure she got up close so I could admire her pert tits and ass at close quarters. She showed me her pussy and crouched over my face while I jacked off. She then got back involved again and brought me off with her hand. Beautiful young lady who is eager to please. I was very happy when I left and she even patted my backside on the way out.
