The Lady:

Hot , size 8 5'11" blonde (at the moment) CERTAINLY not " the girl next door". A real head spinner, totally out of my league ; the ideal WG !

The Story:

Arrived via lift to her flat , rang bell , door opened & she was behind door ... not a good start , i thought . She shut the door FFS she is hot, standing there in SS & Heels . Into her " study" . I had just wanted a quickie , but a £ 30.00 was not what I had in mind when I saw her it was totally inadequate, & asked to extend to 30 mins . Snogging is a real turn on for me & that tongue of hers

She took the lead and got my " old man out" and played with me . I then laid her out and after removing the knickers tasted the most sweet and tight pussy ever . Then on with the raincoat and ... no lube required as she was dripping wet ...

Left with a skip in my step and working out when I could next feel that very tight pussy wrapped around me ...
