Christine is an attractive, rubenesque girl with a lovely arse and is accurately portrayed on her website.

The Story:

I liked Christine a lot - she's my kind of girl with her curvey figure, friendly, attractive face and personality. She is easy to chat and makes you feel very comfortable. After a quick shower and getting the money business out of the way we got down to action on her bed. Several rounds of very nice uncovered bj were interspersed with me kissing her lovely body and tits. Then on with the condom and Christine rode me, first cowgirl then squatting over me. When she started to tire a bit we turned over and finished in mish position with her legs wrapping around mine. Afterwards we had a nice chat and, conscious that I had a train to catch, I didn't ask about a second round.

Christine is one very horny lady and tends to get very naughty indeed – she had a dirty movie playing in the background. I had a very good time with her, left with a smile on my face and plan to see her again as soon as the opportunity arises.
