### The Premises:

Shop front is an old tattoo studio but theres a pleasant reception with secure entry behind the main door. The room was clean and softly lit, massage table and comfy bed, standard shower facilities etc. plenty of safe, street parking nearby but its on quite a busy road so pick your meeting time sensibly.

### The Lady:

Sophie was beautiful, some profiles put her mid 30's but i think thats generous. Long curly hair, nice soft skin and a fantastic arse. She's not a bombshell but has a great figure for her age and if you like a MILF then you cant go wrong.

### The Story:

We started the time with a full massage which was expertly done, moved on to body-body with plenty of cheeky touches. Sophie was happy to let me touch her and didnt hesitate when i asked to move on to the real deal. Loads of oral both ways which was out of this world. She's clean shaven and tastes great, went all the way to a very happy ending. Full hour of top quality fun and would recommend to any MILF lover!
