The Story:

Very, very impressed with Aimy, best WG experience I have had in Sheffield. She grabbed my hand and led me from reception upstairs, once we got in the room, bent over and invited me to tickle her sexy arse. Soon had me on the bed and she was all over my cock, slobbering and spitting, deepthroating me and talking utter filth, saying how much she liked to be fucked in every position. I said I would be happy with a BJ and sex on this occasion but enquired about anal for the next visit, she said she'd give me a sneak preview and slid my cock up her arsehole just part of the way, and I can tell you, it was so tight I near enough lost control right there. Following that unexpected pleasure she proceeded to take me into her fanny and ride me like a bucking bronco, she has more sexual energy than many WCs half her age. She then finished me off with her hand and mouth and had me right on the edge of ecstasy for what seemed like ages until the finish came. Aimy you are incredible and you can be sure that I will be returning with enough money to sample the full Porn Star Experience with this sexy minx.
