### The Lady:

Gem'ma of a girl... Petite slim lovely handful tits with an amazing derriere..Summed it right!!!

### The Story:

My first visit for Gemmma ever,damn I haven't made all these days. Was there on time, in came Gemma with a caution ! no DFK only FK and OWO if you are clean enough. I did make the efforts which was paid back in the next 30 mins :) . who needs a wagging tongue, when she can kiss with such lovely soft lips and in a true FK way. Heightened passion is exploring her tits while kissing and rubbing her against your manhood.

kissing proceeded to the next level of superb OWO seamlessly , all along with a nice eye contact and sensuousness. reverse o and a long OWO, time for a proper shag. took her doggy,miss and on top.. finished up and had a good chat.

Did I care to mention that I was the last appointment for the day and had this amazing time. (this will mean a lot to people, who tend to have a below avg experience, when you approach EOD). after all we wanna go home early, don't we!!!

a definite yes and among my all time favs now...would be back soon to have another amazing session.
