### The Premises:

It was a hotel in the City Centre so a good neighbourhood There is parking and the room was clean and the shower was good and easy to use

### The Lady:

She is just as her pictures.A very pretty Black BBW with massive 40JJ boobs and a bright giggly personality.She is 30 and nice and chatty

### The Story:

Got a bit lost and went to wrong hotel but Shanice was very laid back and understanding.Paid the money and had a quick shower came out and joined her on the bed.Nice little snog and chat and then got tucked into the reason most guys would see Shanice those massive knockers.Sucking on both nipples and encasing my head in between them.She is massaging my cock all the time im doing this.Then she slides down the bed and starts to suck my cock nice and slow to start with and then she starts go full on Deep Throat and im pointing to the ceiling.I then suggest a nice little tit fuck which is the highlight of my time with Shanice Sadly being a one pop man these days i have to slow the action down.I then proceed to lick and tease her lovely tasty pussy.Her vulva tastes divine and she is very responsive when i lick and suck her clit with a little shudder every so often.I carry on enjoying my meal and she climaxes and shudders and we have a little kiss and cuddle whilst she gains her composure.Then onto more Oral and i suggest a nice fuck she climbs aboard and we grind and fuck for quite a while.The bed shakes as we are both larger bodied and eventually she feels my excitement as nature takes its course.A quick clean up and a kiss and chat before i use the shower and head off to have a drink and something to eat before heading to Villa Park to see QPR draw 3-3
