#### The Story:

Christine arrived on time to my hotel looking beautiful. Friendly from start she put this first timer at ease.

Conversation was easy & on reflection I would have chatted my way through our date, but fortunately for me Christine was having none of that & took the lead towards deep kissing, heavy petting & disrobing.

Within a short space of time, I was heaven bound looking downwards towards eyes looking into mine as OWO followed.

Evening meal in the hotel bar provided a chance to converse on various topics, but this man was now on a different level & was delighted when consensus led us to skip dessert & retire to our room. I didn't want to be anywhere else.

Over the next 10 hours I returned to a plateau close to heaven on many occasions.

Meeting Summary could be the word "CONTACT"

Initial emails / text contact - Friendly / Nerve Calming

Arrival & Intro Contact - Smiling / Sexy & Beautiful

Physical Contact - Breath Taking / Exciting

Eye Contact - Constant and Knee Wobbling

Others have asked that you treat Christine well and as a gentleman.  
I don't ask - - - I demand you do.

Thank You Christine for a evening full of memories.
