The Premises:

One of Annabellas' city centre town houses. Cheap (or free in the shopping centre) car parking. Clean and tidy, nicely furnished room.

The Lady:

Petite and very pretty brunette with a wonderful figure and beautiful hair. Her photos are genuine apart from slight facial modification. Very engaging and bubbly personality. Not being a tattoo fan I found hers not the slightest bit off-putting. They are very ornate and attractive in their own way. Mind you most of my visual attention was on her lovely face. She is very friendly and talkative.

The Story:

Welcomed by the house manager(ess) and shown to a bedroom. Roxy arrived 90 seconds later with my requested glass of water. Minimally clothed in shoes, knickers and a bra with large cut-outs. Great figure, some probably unnecessary augmentation up top, but who's complaining? Roxy did not waste one second before getting physical but not before I had already fallen in love (with a girl young enough to be my granddaughter. Shocking.) Made a mental note that next time I will get stripped for action immediately. Anyway, I managed to slow her down a little so that I could feast my eyes and then show my appreciation in my favourite way. She tasted delicious. She returned the favour with total enthusiasm as I revelled in the erotic views available to me, the actual and the reflected. She really does have the most wonderful taut-skinned body, narrow-waisted and beautifully butted. An absolute delight to the eye. We finished in the traditional way. It was made all the better because Roxy kissed quite passionately throughout. Just like the real thing. Shame I don't have my old stamina anymore. Very enjoyable chat followed. She was very complimentary to me which is always nice to hear.

My first South American experience and I don't expect to have a better one. Roxy is an absolute delight.
