The Premises:

Went to see Linzi at Pleasure Dome - seen her many times before in various other places. Pleasure Dome is a new place in Aston - lots of parking on the road near industrial units and being a Sunday it was very quiet in the area - nice & discrete. Rang the buzzer and was let in - the actual building is round the corner - new signs are being put in soon.

Nice and clean place - still had that newly painted feel !

The Lady:

Linzi is early 40's and looks exactly like her pics. She's about 5'6" and nice & curvy - no belly - nice big & full breasts & nice curvy bum with nice legs !

The Story:

Another great time with Linzi ! She greeted me like an old friend - and we had a fab 45 mins. She gives great head - nice & deep - balls on her chin !

She licked & sucked my balls & gave nice rimming as she was on her knees and then swallowed a huge load with a naught smile on her face !

Then we had a nice chat on the bed where she got me hard again - and then more ball licking / rimming / oral before I shot load number 2 ! Not bad for a bit out of shape middle aged guy with no pills !!

Linzi then gave me a drink of oj and was in no hurry to leave - in fact - we went a few mins over but she didn't look at the clock even once !

She is fab - a rare find in this world of money grabbing & poor service girls ! Don't waste your time checking out lots of girls - do what I do - find a few & stick to them !
