The Premises:

A very dingy 2nd floor flat on a main road 2 miles out of Manchester above a boarded-up shop. Dark, unlit staircase. Didn't feel very safe.

The Lady:

Kim is tall with a stunning figure but unlike her photos on the site she is heavily tattooed, so her pictures have been photo-shopped.

The Story:

I used Manchester In Calls several times a few years ago and after seeing Kim on the site decided to try them again. Previously all meetings with ladies had been in beautiful apartments in the city centre, but the address I was given was a huge comedown. It was obviously Kim's own home and just not up to the standard I expected of this agency. I was not offered a shower, and having seen the bathroom would not have wanted one anyway. Kim's demeanour was disinterested but in view of the environment I wasn't surprised, and although I'd booked for an hour I terminated the session after 35 minutes--I just wanted to get out.
