The Premises:

My First time to SW1 HOD but the room was very clean and decorated at the high standards we have come to expect from HOD.

I was greeted with the best smile in the world HOD Maid and offered a glass of orange.

There is shower facility and quite safe place with no shops around.

The Lady:

Absolutely amazing lady. If you have a fetish for tall girls then Angel is it. She is almost 6 feet without heels but her body proportions are such that she look really amazing. I can also certify that she is natural DD and loves for you to kiss them.

She has beautiful eyes and face of an Angel, I can't believe she is real!

The Story:

After I was led in the room Angel came in few min. It took me a while to absorb everything about her.

She is so tall that at first I thought she got long heels but then I realized that she had already taken them off.

I asked her to stand in front of me a bit because I wanted to just watch such a beauty.

Then we got on the bed and started kissing, she is a wonderful kisser.

She gave me deep.. really deep head that I have never experienced before, she even had a tear in her eye but she smiled like an Angel.

I wanted to see her and kiss her so went in mish position, it was lovely to kiss her at every stroke.

Time was running out so I asked her for doggie style and enjoyed watching her bum and loooong

waist while fucking her.

She is quite tight and I came easily...

Feeling really happy.

As always Thankyou HOD may you stay in business forever.
